

United States Department of State

Washington, D.C. 20520

MAY 17 2002

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export to Israel of technical data, defense services and defense articles for three Gulfstream V Special Electronic Mission Aircraft for end use by the Government of Israel.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly  
Assistant Secretary  
Legislative Affairs

Transmittal No. DTC 052-02

J. Dennis Hastert,

Speaker of the House of Representatives.
